Subject: Draft letter to Forest Service on Rosemont Mine

Alexis,

You had requested that we provide you with a draft letter which you may wish to send to the Forest Service on Rosemont. Attached is a draft for your consideration. I will have a call with CEQ, Rob and someone from the Forest Service tomorrow on the timing issue. Also, you will shortly see a similar (coordinated) letter from Water Division for your consideration to send to the Corp. I will advise you tomorrow on how my call goes with Rob, et. al.
